45th International ATC Hockey Tournament

Hell Bros,

We are eight months away from the 45th International ATC tournament 2018 in the amazing city of St.Petersburg and the preparations are in full swing.

Here we've got some more information for you.

REGISTRATION & PAYMENT

The players who are planning to come with children are not subjected to pay tournament fees excepting additional money for the extra bed, visa support, transfer which are around \$30 for children between 3-15 y.o. From 16 to 18 the payment for the room is as for an adult plus additional money around \$50. Over 19s can choose a package for player or non player. Children under 19 are not permitted to attend the welcome and farewell parties.

For those who want to come earlier and perhaps stay later, please write in advance because the prices are individually negotiated with the manager of the hotel on account of the availability of rooms; St.Petersburg is a popular tourist destination and hotels are often booked in advance, so plan ahead!

For Americans and Canadians who are arriving in Moscow and who would like to stay extra days in the capital before going on to the tournament in Peter, you need to book in advance so that the visa application can be processed to include this time. This means that you'll need two invitation letters for your visa, one from your hotel in St.Petersburg, and the other for the extra 2 days or so in Moscow.

We provide you with the hotel reservations and transfer while Aeroflot will provide you with the air tickets so if you want to spend some time in Moscow please speak to the people at Aeroflot when you book your ticket, they should be able to arrange it.

Aeroflot has decided to give us a good group discount, more information to come soon and as soon as we get it, we'll write to inform you.

Visa Support

When you upload a copy of your passport, that information is relayed to the hotel manager. The manager registers your team then sends us a voucher and registration number. Meanwhile, we are preparing the invitation letter for your team. Once these two essential papers have been completed we immediately send you an order to apply for a visa in the Russian embassy or Russian Consulate.

It's important to apply for visa as a team to get it well under way. The faster you do the registration the faster we can send you your papers.

Best wishes!
