# 45<sup>th</sup> International ATC Hockey Tournament

Hello ,

Our OC team is working in a non-stop race to make the Tournament in St. Petersburg unforgettable in all history ATC hockey Tournament .

We have received many inquiries regarding the tournament, some of the questions are repetitions so we've decided to give extensive information on the most popular questions regarding the tournament.

1.The official opening evening ceremony of the 45th ATC Hockey Tournament is on April 2nd 2018 in St. Petersburg . The Time is not fixed yet but we are planning no earlier than 18:00 p.m. The Official closing is on April 6th 2018 which finishes with an evening Banquet . April 7<sup>th</sup> is checkout day.

Accordingly the playing days are scheduled for April 3,4,5,6 in the Yubileyny ice hockey Palace.

2.Many participants are coming to St.Peterburg via Moscow and planning to have stopover for 2 or 3 nights in the capital. Others want to arrive early in St. Petersburg or stay after the Tournament so it's great if you have more time to discover Russian cities. However for those who are coming or going out of the official days of the Tournament, you need to book additional nights in hotels.

People who wish to make a stop-off in Moscow have to have two confirmation letters from both hotels in Moscow AND St. Petersburg . For The Participants who arrive directly to Saint Petersburg a few days early or leave a few days later, you need to tell your captain in advance in order to book extra nights at the Solo Sokos Hotel Palace Bridge. Your stay in Russia must coincide with the confirmed dates from hotels to avoid any confusion while applying for a visa or any troubles during the passport control at the Russian airports. I know it may be sound complicated but we have been faced with the same issue each time while visiting the Tournament overseas. We know how difficult it can be and are trying to make this process easy for you. We can provide you with some official papers like a confirmation letter (voucher) from the hotel and an invitation letter from OC. You can find additional information about the visa requirements on Embassy of the Russian Federation website to the USA or Canada (visas)

Please be in touch with your captain to explain your plan to him/her because we receive only from the captain's official information. As they have wired money to us.

3. We also want to inform you that we did not expect so many people to stay in Moscow as a result of that the MOSCOW COURTYARD BY MARRIOTT doesn't have so many available rooms in that time and MARRIOTT has changed our hotel on the Moscow Marriott Hotel Novy Arbat ([moscowmarriottarbat.com](http://moscowmarriottarbat.com)) the best five star hotel situated on the well-known Arbat street , it takes just 15 min by foot to RED SQUARE . The prices have remained the same a reminder that it's \$100 for the first night and \$70 for subsequent nights for one person in the Standard double room including : a sightseeing tour ,breakfast, transfer and visa support.

FOR APPLICANTS WHO DESIRE IT, WE WILL RUN TWO SIGHTSEENIG TOURS ON SATURDAY AND SUNDAY BUT THE SUNDAY TOUR WILL BE BETTER AS THERE WILL BE LESS TRAFFIC AND MORE OPPORTUNITY TO SEE PLACES OF INTEREST IN THE SAME TIME.
