45th International ATC Hockey Tournament

Hi reps,

Just a little time left before we see your happy faces in the amazing city Saint-Petersburg.

This is the last edition mostly regarding participants who are staying in Moscow. We have purchased the train tickets for all our guests.

The one way standard ticket costs \$55, the business class costs \$ 110.

Very important information!

Our guests of the ATC Hockey Tournament will be met at the airport with such a sign:

Also we would like to inform you about the price for the single package. In the previous newsletters we didn't pointed it out and want to redress it.

Single package	Standard		Superior		Additional night	
	Player	Non player	Player	Non player	Standard	Superior
Price	\$ 835	\$ 730	\$930	\$825	\$106	\$125
Additional night in double room					\$70	\$87

More over we have prepared locked rooms in our hotel on every floor where our participants are staying in order to avoid keeping your hockey equipment in your room.

See you,

OC
